

You are warmly invited to join us in celebrating:

BYH Film Premiere

by **Broxtowe Youth Homelessness**

This short film has been created by our volunteers, all young people who have experienced homelessness. In it, they share their experiences and highlight the training and volunteer work they are now doing with BYH to prevent other young people from experiencing homelessness.

The evening is to help us celebrate our volunteers' achievements, and help people to learn more about BYH.

There will be a screening of the film at 6:30pm followed by the opportunity to ask questions and speak to staff and volunteers.
