

# OPEN DAY

Broxtowe Youth Homelessness is a local charity that has worked for 34 years to prevent homelessness and support young people in crisis. We have relocated, allowing us to offer a drop-in service for young people to get support, advice and practical help (food, toiletries, etc.) and to access training that will help them to get back on their feet.

We are delighted to invite you to come and celebrate our new building - have a look around, find out more about the charity and what we do to help young homeless people in Broxtowe and the surrounding areas. Pop in between 2-7pm - local residents, young people, professionals - everyone's welcome!

Wednesday 1st March 2017  
2pm - 7pm

(grand opening at 2.15pm)
