

G . A . P .

growing ambition project

This 2-day course is an opportunity for you to identify your own skills, qualities and strengths and how they transfer to the world of work and further education. You'll have the chance to look at the skills you'd like to build on and plan your next steps. A combination of group work and 1:1 guidance and support, this short course will help you grow your ambition and put in place practical pathways to get to where you want to be.

Training takes place at

Broxtowe Youth Homelessness
